

But that's your third bowl, Akagi-san...

Akagi was very sad... When she saw this, her good friend Kaga thought...

The Crying Battleship

by Watanore

Every-
one lived
happily
ever
after!

...And for long
afterwards,
Akagi and
the Fairies
remained
very good
friends.

Why
did you
want to
show this
to me
anyway,
Terryuu?

?

And also,
you said
"long ago" at
the start,
but Akagi and
Kaga are here
at the base
right now.

Hmm...
That was
quite a good
story...
Though
not every-
body lived
happily ever
after.

That's
not the
important
thing here!
If you've
got issues,
take them
up with Aki-
gumo who
drew it.

See,
Naga-
to-san,
didn't
you tell
me the
other
day...

I saw
this fairy
tale in
the brat's
room,
and then
got an
idea!

The
Crying
Akagi

So you finally show your true face ...!

Evil light cruiser!
The battle-ship of justice,
Big Seven Nagato, will take you down!

Evil? Justice?
Since when was that a part of the script...?

I don't give a damn if you're Big Seven or Ultra Seven!

Well, bring it on!!

Other-
wise,
I'll show
you a
vision of
hell...!

This
is your
final
chance
to let
those
children
go!

At the time of discovery, we found Tennyson and the 6th Des Div damaged and unconscious.

...As you can see, there's a great deal of destruction at the scene.

Their goal is unclear, but the *Aloyaal* Fleet making an attack on land is unheard of. Everyone, be on your highest alert!

To strike right at our base, what a bold foe...

Their lives aren't in danger, but we cannot ask what happened until they recover.

Admiral, no enemies were spotted in the surrounding area.

Hm. I see... Good work.

No sign of the enemy around the outskirts of the base.

This is the patrol plane.

Understood. Continue your search and remain vigilant.

Ahh, Nagato...
For some
reason,
I can't
get in
contact
with her.

I don't
see
Nagato
any-
where...

.....

Didn't
you call
for all
members
of the 1st
fleet to
assemble?

No way!
If there
were an
enemy here
who could
beat that
meathead,
we'd all be
wiped out!

You don't
suppose
she could
have been
abducted,
do you...

I-in-
stinctively, I
hid my-
self...

How am
I sup-
posed to
explain
this...!?
